

Remarks

Claims 1-16 in the present application identified above have been rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-26 of U.S. Patent Application Serial No. 10/699,383. This rejection is avoided by the attached Terminal Disclaimer. There are no other issues remaining in the present application.

Applicants believe that the present application is now in condition for allowance. Issuance of a Notice of Allowance is solicited respectfully.

Respectfully submitted,

IHAB SOLIMAN, et al.
